**POWER INTEGRATIONS' [PROPOSED] VOIR DIRE**

It is the parties' understanding that the Court will conduct standard voir dire in the form appended to this document, entitled "Standard Voir Dire." In addition, Power Integrations request that the jury pool be asked the following specific voir dire questions:

1. Do you have education, vocational training, or work experience in patents, electronics, engineering, or the design of integrated circuits?
2. Does anyone in your immediate family, such as a spouse or child who lives with you or a close relative, have education, vocational training, or work experience in patents, electronics, engineering, or the design of integrated circuits?
3. Are you, or is anyone in your immediate family, an inventor or co-inventor on a U.S. patent or an application for a U.S. patent?
4. Have you, or has anyone in your immediate family, ever been involved in applying for or obtaining a U.S. patent?
5. Does your employer own any U.S. patents, or have a license to use patents owned by someone else?
6. Do you have strong feelings, either positive or negative, about patents, the rights of patent holders, or the process by which patents are obtained?

7. Have you ever heard of Power Integrations or Fairchild or any of their products?
8. Have you ever used a Power Integrations or Fairchild product, or a product that contains a Power Integrations or Fairchild product?
9. Do you or any member of your household own stocks or bond or have any other financial interest in Power Integrations, Fairchild, or any company involved in the production or sale of power supplies or power supply components?
10. Have you ever been sued or been a party to a lawsuit, testified at a deposition or in court, or served as a juror in a civil lawsuit?

**STANDARD VOIR DIRE**

1. Judge will read brief description of the case.  
  
Is any member of the panel familiar with the case, or has any member of the panel heard or read anything about it?
2. Judge will ask counsel to introduce himself or herself. Do you know or have you or has any member of your family had any business dealings with any of the attorneys in their law firms.
3. Judge will ask counsel to introduce the parties and name any witnesses they expect to call. Do any members of the panel know the parties or any of the witnesses?
4. If you are selected to sit on this case, will you be able to render a verdict solely on the evidence presented at the trial and in the context of the law as I will give it to you in my instructions, disregarding any other ideas, notions, or beliefs about the law that you may have encountered in reaching your verdict?
5. Is there any member of the panel who has any special disability or problem that would make it difficult or impossible for you to serve as a member of the jury?
6. This case is expected to take \_\_\_\_\_ days to try, so that we expect the testimony in the trial will be completed by \_\_\_\_\_. Is there any member of the panel who would be unable to sit as a juror in the case for that period of time?

**Voir dire as submitted by the parties**

- A. Up to ten questions from plaintiff. The questions should be designed to elicit a yes or no answer.
- B. Up to ten questions from defendants. The questions should be designed to elicit a yes or no answer.

FINAL QUESTION: Having heard the questions put to you by the court, does any other reason suggest itself to you as to why you could not sit on this jury and render a fair verdict based on the evidence presented to you and in the context of the court's instructions to you on the law?
